This weekend is all about showing love for the woman who deserves it most. This year, let these local restaurants and outings be your guide to a memorable Mother's Day in San Diego.

### Quiero Tacos

In San Diego, there's never a wrong time for tacos! This taco shop in Seaport Village is offering a buy-one-get-one taco deal for all the moms. Spend the day overlooking the bay as you wash the tacos down with a Mike Hess beer and finish it off with a churro.
