## **Quiero Tacos**

A fish taco battered with Mike Hess Brewing beer, along with a side of bay views, makes for a quintessential San Diego meal. Quiero Tacos is Seaport Village's newest casual restaurant—also housing a 24-tap tasting room. Enjoy a Mike Hess beer flight on the patio, while sampling tacos that range from Hawaiian-style chorizo to Spanish octopus; plus vegan tacos and burritos. And come back for weekend breakfast, featuring hearty chilaquiles verdes and the Sunshine Taco with a sunny-side-up egg.
